[NHS England Webinar - Paediatric Respiratory Tract Infections in Primary Care.](#)

This webinar is to support clinicians in primary care with up-to-date evidence for the antibiotic management of paediatric respiratory tract infections in primary care. The presentation will be drawing on evidence collated in the TARGET training resources for acute cough, recent NIHR Evidence webinars on reducing antibiotic prescribing in primary care and supplemented with additional clinical trial data to focus on children with RTIs.

The webinar will be held on **Monday 30 June 12-1pm**. Registration for this webinar is open and can be accessed [here](#).

[NHS England funded independent prescribing courses 2025/26.](#)

NHS England has [announced](#), that it has opened applications for pharmacists for funded independent prescribing courses.

Courses are available up to March 2026, with [several universities](#) offering multiple dates for cohort intakes. Start dates will depend on the university provider.

[Are you confident in making clinical records?](#)

As the provision of clinical services in community pharmacies continues to grow, pharmacy professionals who want to update their knowledge of best practice in record keeping can access the Centre for Pharmacy Postgraduate Education [Documenting in patient clinical records e-learning programme](#).

[2025 Community Pharmacy England Workshops](#).

Ahead of negotiations on the Community Pharmacy Contractual Framework (CPCF) for 2026/27 and beyond, Community Pharmacy England is keen to discuss pressing issues and the future of the sector with pharmacy owners and LPCs.

[Independent Pharmacy Awards Nominations are open](#).

The Independent Pharmacy Awards 2025 is officially open for entries! This is an opportunity for independent community pharmacists and their teams to tell the nation about their successes. The deadline for entries is **15 July 2025**.

[National News/Reminders](#)

[Approaching deadline: Nearly 50% of pharmacies still to submit Data Security Toolkit](#).

More than half of pharmacy owners are yet to complete their Data Security and Protection Toolkit 2025 ahead of the imminent deadline.

Community Pharmacy England has published guidance to help community pharmacy owners complete the Data Security and Protection Toolkit 2025. The Toolkit is used to make a pharmacy's information governance (IG) declaration and must be completed by **30 June 2025**.

[Reminder: Update your NHS Profile Manager quarterly](#).

Pharmacy owners are reminded to regularly update their NHS Profile Manager each quarter, ensuring their NHS website and Directory of Services (DoS) profile information remains current. Each module should be marked as verified, **even if no changes are needed**.

The NHS contract quarters are 1 April to 30 June; 1 July to 30 September; 1 October to 31 December; and 1 January to 31 March.

[Pharmacy First: Have you claimed for your March-May consultations?](#)

As [announced](#) last month, Pharmacy First consultations carried out in March, April and May 2025 must be claimed **by 11.59pm on 30 June 2025 to receive payment**. Pharmacy owners are encouraged to check that all claims for this time period have been submitted to the NHS Business Services Authority on the MYS portal for payment.

This change to the claim window, follows the announcement as part of the [contractual settlement for 2025/26](#) that to enable the variable monthly payment for Pharmacy First, the **claim window would be reduced to one month from 1 June 2025**.

Pharmacy First Clinical Pathways caps for June 2025.

Pharmacy owners should be aware that the Pharmacy First Clinical Pathways band assignments and monthly caps for June 2025 are published on the [NHSBSA website](#).

The list published by NHSBSA indicates the band assignment and monthly cap for each pharmacy by ODS code. If a pharmacy ODS is not included in the list, the pharmacy is automatically considered to be in Band 1 (the lowest band). [Read our Frequently Asked Questions on Pharmacy First caps.](#)

DMS: Shortened claim journey on MYS from July 2025.

A new streamlined process for making claims for the Discharge Medicines Service (DMS) will come into effect from **6 July 2025**.

What action do pharmacy owners need to take?

Claims up to and including 30 June 2025.

All DMS activity up until 30 June 2025 and within the 3 months claim period that has been completed should be claimed and submitted using the NHSBSA's existing NHS DMS journey via the MYS portal. The current journey will be retired at 23:59 on 05 July 2025.

Any NHS DMS data of activity started on or before 30 June 2025 but not completed should be entered into the new shortened MYS journey from 06 July 2025.

Claims from 01 July 2025.

Contractors should use the new shortened MYS journey to claim for any activity for the service that will be completed from the 01 July 2025. The new MYS journey will be available from 06 July 2025.
