

Northamptonshire Partner Newsletter

February 2026

Changes to the drug and alcohol services in North and West Northamptonshire

North and West Northamptonshire services will disaggregate and the new contract, starting 1st April 2026 will bring with it some changes. Change Grow Live will be handing over the West of the County from April to Turning Point who will primarily operate out of Northampton and local surrounding areas. We will be providing services in the North of the County out of our current bases in Corby, Kettering and Wellingborough and are partnering with Forward Trust, Family Support Link and Release to enhance our offer post April 2026

Some Changes coming from April 1st 2026

Over the next few months, we are working with Turning Point to handover the Northampton service based out of Spring House and we will be ensuring a seamless transfer for people who use our services. There will be changes with how you can contact them post April and how to refer people to the service. Turning Point are going to be communicating with you over the coming weeks to give more information on their changes which will include new updated contact details and referral points. In the North of the County our contact details will remain the same post April this includes referral routes via our website and our main contact number.

Partner Events

We are keen to work with you and all our other partners to provide reassurance about our plans for the new service and take your feedback. We will be holding two online events where you can learn more. Details of these events are detailed below:

Tues 3rd March 1pm-2:30pm All partners, online

Weds 11th March 9:30am-11am All partners, online

To book a space on one of these events, please click this link:

Supporting the people who use our services

Maintaining continuity for the people who use our services is a key priority for us during this time. We are working hard to ensure they are informed about the upcoming changes and what this means for them and their care.

If service users would like a contact, please direct them to our service user involvement lead:

Russell.Kennedy@cgl.org.uk

Keeping you informed

We look forward to continuing to work with partners across the service sector and appreciate your support and patience during this time of transition.

If you have any queries at any stage, please do not hesitate to contact us on the email below
